Vibrations

*Imagine a space where you could experience eight different genres of the senses under one roof at the same time. Whether it be classic jazz, RnB, the Blues, games of chance or even a magic show, a taste of Jacksonville history and more, **IKONIC** has something for everyone*

Monte Carlo Nights

Enjoy fun and games with our complimentary chips to win your share of prizes. Casino style games would include a blackjack table, roulette, craps and even bingo. Each guest would receive a few play dollars to enjoy the room with an opportunity to buy more. Committee responsible for procurement of prizes

Pink Vibrations

Take it back to the old school with a 70s style basement party. Complimented by afro and bell bottom decor. Whether you are a funkateer with your flashlight grooving down the soul train line or a lover of the latest R&B and hip-hop, pick your channel in the "silent-disco" as this room is a show stopper for all ages.

The Pink Rose Tea Room

Set up theater style and decorated in the fashion of an early 1900s tea room, participants can view the GRO Black History Exhibit and view the *20 Pearls* Documentary on a rotating basis. Serving petit fours and teacakes, etc.. as the sorority's founders would have done, guests will see the magnitude of Gamma Rho Omega and the good works it has bestowed upon the community.

Cotton Club

The Harlem Renaissance will come alive in Jacksonville as we open IKONIC's Cotton Club. Turn the lights down and get ready for some classy fun. Feathers, sparkles and a whole lot of live jazz set the tone for this cabaret style experience for those who want to keep it mellow and enjoy the show.

Mystique Masquerade

Step into the mysterious world of fantasy and masquerade. Get your mask upon entry and marvel at the magic inside that range from a caricature artist and aerialist to a magician and juggler. Envision a backdrop of tall-standing ornate centerpieces, including feathers, string of beads, floral arrangements and subtle fairy lights to maintain the modern-day magic, with a nod to the whimsical Renaissance style. Guests will be amazed at what they witness inside!

Seven Bridges Blues Lounge

From old school B.B. King to new school Pokey Bear, this classic genre has a story for everyone. Once the music begins, audience members join in with their own verses and verbal encouragement. Stories, jokes, and music are all part of the blues performance Seven Bridges Lounge. Couples talk, dance the Slow Drag if they are feeling it, and sing along with the talented artists to a familiar tune as we have all the down home blues.

The Chill Factory

Are you ready to get your laugh on? Come experience some of the best local and national comedic talent around in this audience flavored set theater style. Numerous performers from comedians to spoken word talent will grace the IKONIC stage whether you want to tickle your funny bone or hear thought provoking words of thought, the Chill Factory is where you want to be.

Havana Nights

New to the IKONIC set is Havana Nights. Featuring Latin flavors, salsa dancing, cigar rolling lessons and a tropical feel. This one is just for the fellas and all who enjoy the alluring tantalizing experience of a night in Havana.
